MEMO ENDORSED

**Starr International Company, Inc. v.
Federal Reserve Bank of New York,
No. 11-cv-8422 (PAE)**

Dear Judge Engelmayer:

On July 11, plaintiff Starr International Company, Inc. ("Starr") submitted to the Court, in connection with the pending motion to dismiss in this action, the opinion of the Court of Federal Claims in *Starr v. United States*, No. 11-779C, denying the United States' motion to dismiss. The parties jointly believe it may be helpful to the Court in considering the pending motion to dismiss this case, and may streamline oral argument of that motion, if the parties could each submit brief comments in writing addressing the Court of Federal Claims decision. We propose that the parties simultaneously submit to the Court and exchange with each other, at 5:00 P.M. on Friday, July 20, 2012, letter briefs of no more than 3 single-spaced pages addressing this subject.

Respectfully yours,

John S. Kiernan

Application
